SERVICEMAN'S CORNER:

Hello again, fellows. Remember the letter I wrote to Congressman Anderson in last week's Byline, in regards getting G.I. education for you Vets of our undeclared war? Well, here's his answer:

Congress of the U. S.
House of Representatives, Washington, DC
May 24, 1951

Dear Mrs. Reece:

This will acknowledge your letter of May 17, which was forwarded to me here.

As you probably know, Congress recently took speedy action to extend to the Korean veterans the same hospital benefits that were accorded to the veterans of World War II.

I am convinced that we will also take action shortly extending similar benefits to the Korean veterans as were extended to others under the G. I. Bill of Rights. I can assure you that I certainly favor such action.

Thanking you for writing, and with every good wish, I am,

Sincerely yours,
JACK ANDERSON

LETTER FROM A SERVICEMAN:

Somewhere in Korea
May 19, 1951

Hi, Reeces!

Received your letter the other day, and was surely glad to hear from you folks. I guess I am now classified as one of the Brisbane "boys" (?) in the service, so will try to cut you in on the scoops very often.

Might say that I had one of the most miserable boat rides that I have ever had to take. One of those "Moth-Ball" ships there at the Point. I can surely say now that I am glad to be a Marine, and not a Swab Jockey! We ran into three storms, and being one of those Kaiser Specials, we just sat there and rode them out at about four knots. Never had to "man the rail" as a lot of the boys did. Was quite surprised tho, we not having been on a ship since '45.

I have been getting your Byline now since I have settled down, and I quite agree with the other boys, it sure does a lot of Moral building, keeping us informed about the goings-on in Brisbane.

Sure was glad to read that R. Fassett and R. Geist were taking an active part with the cub scouts. I wish that more people in Brisbane would donate even one hour a week

----continued above--

to the cubs. They surely don't know what they are missing out on.

There's no reward, but somehow you know you are rewarded for your little time spent, from what you see in their faces, and from the obvious pleasure and enjoyment those kids are getting out of it. Wish I could be there now and show them some more movies. Those kids sure enjoyed them!

Gladys, can't you find some way to tell the people of Brisbane to get out and help these very young fellows, as well as the older Scouts. Tell them to look back and remember when THEY were that age. When I get on this subject, I can't stop!

This squadron I am in is an outfit the boys on the front lines like to hear at night. I am NCO in charge of transportation, doing what I can for this fouled up mess. It sure is a "Snafu" Korea! Like the rest of the boys say--"Give it back to the Indians!" But, we have a job to do, so we do the best we can.

You may use this letter any way you see fit. Keep up the good work, because we sure do appreciate it!

As ever, "HANK" SHULTZ

LAST CHANCE G.I. SUMMER SCHOOL:

The evening division of the University of San Francisco announces a summer session specially designed to help veterans begin their G. I. educational privileges. Dates will be from June 18 to August 10.

The school warns that if a veteran has not used any of his eligibility, or if he is not attending school this present semester, he must register for a summer session or lose his entire rights to G.I. training.

The courses are open to both men and women, non-veterans as well as veterans. One of the subjects offered will be "Industrial Psychology".

LOCAL MAN WINS TALENT CONTEST:

Winner of last week's talent contest on the Del Courtney Television program over KPIX was our own KENNETH HUNT. Kenny was presented with a Bulova wrist watch on last Sunday's show, and informed that he would now be eligible to compete with the other winners at the Talent Contest Finals. Date of the Finals were not yet announced, but it is believed that it will be approximately one month or six weeks from now. CONGRATULATIONS KENNETH! WE KNEW YOU COULD DO IT! BEST OF LUCK IN THE FINALS---AND WE'RE HOPING THAT THIS IS JUST THE "FIRST STEP"--U2!

WHAT'S THE SCORE???--by Ron Wright

JEFFERSON LOSES SECOND GAME IN PLAY-OFF!--The Jeff Indians lost their second game of the play-offs with Sequoia. The Jeffs have won one and lost one now. The Indians were smothered in a flurry of hits that didn't end until Sequoia was ahead 10 to 1. The Sequoia team caught Chuck Davis, Jeff's hurler, off-guard, and batted every ball he threw all over the field.

JEFF TAKES SERIES TWO TO ONE--Altho' Jeff took a beating Friday, May 25th, they came back on Saturday to win the series by the score of 5 to 0, and to go into another series with San Mateo for the P.A.L. championship.

JEFF DRAWS FIRST BLOOD AGAINST S.M.-3 TO 0: The Jeff's won over San Mateo to start off the three game series with the first win. The Varsity has an excellent chance to win the P.A.L. championship again this year, behind the pitching of Charles Donnelly and Ed Coreghino.

RIDDLE:--How can you get seven hits in one half inning, and not score a run????

RON WRIGHT, your sport reporter.

p.s.--Big brother, Jim Wright, is on his nineteen day leave from Fort Ord before being transferred overseas. He's supposed to be visiting his family, but he's working during his leave! SUCH AMBITION!

TOP JEFF ATHLETES HONORED:

Ed Coreghino, star hurler on the Jeff Hi baseball team for the past three years, was named the outstanding senior athlete and baseball player recently, at the Jefferson Father-Sons atletic banquet.

Coreghino recently established a new Peninsula Athletic League strike-out record and now has whiffed 81 in six games. He has hit a .350 clip.

Les Nicolini took the award for basketball, and Vic Baher and John Bollinger (of Brisbane) split the award for track. Bollinger took a first in the discus and a third in the shot in the P.A.L. meet and took a double win the North Coast Section trials. Bollinger copped 880 in the P.A.L. and a second in the NCS.

Norman Cady received the award for swimming. He has won eight trophies, more than any other athlete in Jeff Hi history. The football award went to Pat McCool, who played offensive quarterback and defensive tackle on the Indians team. He was an all P.A.L. choice. (from the ADVANCE)

THE YOUNGER SET--by Tillie Teener:

Last Saturday evening some of our younger set enjoyed a lovely dinner at Sam Remo's, and then went on to a party. Those enjoying the occasion were Don Johnson, Betty Fogleman, Dave Tracy, and Jo Dell Pearson.

Quite a few of our Brisbane Teeners were seen skipping around the dance floor at Colombo Hall in Colma last Saturday eveing. Some of the dancers were Sharon Storch, Bob TAnn, (home on leave before being transferred overseas), Pricilla Green, Gayle Hutchison, Jack Eberle, and Joe Eberle.

On Sunday afternoon, three carloads of our younger set went down to Flood Park--including Larry Jenkins, Carolyn Cook, Dolores Jackson and Bob Fogleman.

QUESTION: "Who was that girl Don Johnson was seen with?"

ANSWER: "That was a--GIRL??"

'Bye for now. See you again soon.

TILLIE TEEN-AGER.

MEMORIAL DAY SERVICES:

Memorial Day Services were held at the home of Mr. and Mrs. Blair on Monterey Street, honoring in memory their son, Walter A. Blair, for whom the local VFW post is named. Wreathes and flowers were bestowed upon the altar commemorating young Lt. Blair by the local VFW and Auxiliary; American Legion Post #473 and Auxiliary; the Brisbane Fire Department; and the Brisbane Garden Club. Captain Blair's Rangers and Wacs stood at attention during the ceremony, as did the Boy Scouts of Troop #134, and the local Girl Scouts. Many friends of the popular couple, Capt. and Mrs. Vera Blair, also attended the ceremony. A Memorial Day poem written by local Veteran Antone Souza was read by his son, Sgt. Tony Souza, of Blair's Rangers. The ceremony was concluded with a solo by Art Kennedy, who ably rendered "Lord's Prayer".

VACATION BIBLE SCHOOL:

Plans are rapidly being completed for the Vacation Bible School to be held at the First Baptist Church June 11 to 22nd. All 4 to 12 year old children are welcome to attend, and an interesting course of study is promised for each age group. Here's a hint: the 5th, 6th, and 7th graders will be making "WALKIE TALKIES" that really work! Empty toothpaste tubes and caps will be needed (also shaving-cream tubes, etc.

BAYSHORE HIGHWAY CONSTRUCTION:

The speed limit on the northern stretch of Bayshore has been cut to 35 miles an hour while two extra lanes are being added for the four miles north of So. San Francisco.

The limit will be 35 for the entire four miles stretch traversing some of the most dangerous reaches of the highway---Tunnel Hill and Boneyard Hill--except where work is actually under way. In the construction zone itself, the speed limit will be 25, and flagmen will be stationed to direct motorists.

When completed, Bayshore will be a six-lane highway from the northern limits of San Mateo to San Francisco.

HELEN HUGHES' REPORT ON P.T.A.:

Last Thursday, May 24th, the Brisbane P.T.A. met at the schoolhouse, and heard Miss Clara Dills, county librarian talk on travel in foreign countries. Miss Dills painted an interesting and informative picture as she spoke of the ship docking in Le Havre, France, travelling on to Rouch, Marseilles, Nice, and Grasse. On to Italy, where she visited Napes, Sorrento, and Rome--where she viewed the Pope on Easter Sunday. Then she travelled upwards through Switzerland, Holland, Belgium, and Denmark, and on to England and Ireland.

The business side of the meeting began by a reading of the minutes by V.P.Romriell, and the treasurer's report by Mrs. E. Wright. Six new members, (Mesdames Norling, Cook, Conway, Pearson, Ledbetter, and Dolmar) were introduced. President Ruby Edwards reported on her trip to the P.T.A. Convention in San Diego. New membership chairman, Mrs. R.Trantham, was ratified.

Entertainment was provided by members of the 1st grade under the auspices of teacher Laverne Duke. Miss N. Lipman announced that May 25th and 27th were the dates when immunization of children would take place. Mrs. A. Evens discussed plans being formulated by herself and teachers of the 8th grade graduation party which will be held on the evening after graduation (June 6th). At the conclusion of the final meeting of the Brisbane P.T.A for this school term, coffee and sandwiches were served by Mesdames Johnson and Wallace.
